

A special "Thank You" from

VINTAGE ANGUS RANCH

to a longtime customer

BENGARD RANCH

A 2,500 commercial cow-calf operation in Monterey, San Benito, Merced, Tehama, Shasta & Plumas counties in California and Klamath County in Oregon.

**Bardin Bengard, Tom D. Bengard, Terry Bengard,
Tracy Pezzini and Tom A. Bengard**

"Bengard Ranch has been buying Vintage Angus bulls for over 20 years. Jim Coleman and his crew have been progressive in selecting the very best genetics nationwide to use in their herd. We feel that their hard work has paid off for us. Our calves have consistently topped the market due to these genetics. The Vintage Angus program provides outstanding customer service and we enjoy doing business with them. They are simply the best!"
